Welcome & Vision

A Message from the Expo Chair

Dear Partners and Educators,

Welcome to the 2026 Standing in the Rain Childcare Expo! This event was born from a passion for supporting those who shape our future: our childcare providers and families. Our mission is to provide a space where the "village" can come together to learn, grow, and access the resources necessary for high-quality early education. Whether you are a sponsor, an exhibitor, or an attendee, your presence here directly impacts the quality of care for children in Mobile and beyond.

Thank you for "Standing in the Rain" with us to ensure our children have a bright tomorrow.

Thank you,

Teresa Lewis, BS. ECE, ITL-IV, PDS
Expo Chair
